Getting There

BY AIR

The nearest airport is Sofia Airport

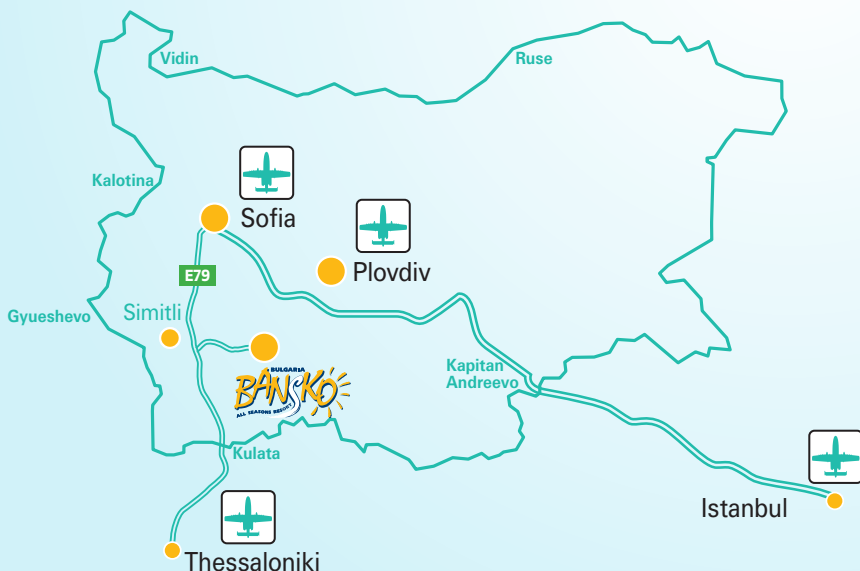

The OC strongly recommends flying to Sofia airport; Balkan Holidays, the logistic partner of the OC will organise transfers from Sofia airport to Bansko and return. Subject to a special request from the teams and separate price quotations, based on the respective requirements, number of the participants and luggage details.

BY CAR

Bansko lies in the South-western part of Bulgaria, in the heart of the majestic Pirin mountain. There are numerous ways to reach Bansko, as it lies only two hours by car from Sofia.

Quickest route is via the main E79 highway south to Simitli, and then following the well-marked eastbound turn, which will take you through Predela Pass all the way to Bansko.

Thessaloniki – Bansko	220 km
Istanbul – Bansko	600 km
